Abbreviations (US)

ch = chain
dc = double crochet
sc = single crochet
sl st = slip stitch
sp = space
ch-3 sp = the space under the ch 3 of a box
C2C = corner to corner

Gauge

Suggested only, not swatched: 1 box about 1 in (2.5 cm) square

Notes

- Row 1 is one box: ch 6, dc in the 4th ch from the hook and in each of the next 2 ch.
- Start of a row, increase: ch 6, turn, dc in the 4th ch from the hook and in each of the next 2 ch, then sl st in the ch-3 sp of the next box below.
- Start of a row, decrease: turn, sl st in each of the 3 dc of the last box below, then sl st in its ch-3 sp.
- Across: ch 3, 3 dc in the ch-3 sp you are in, then sl st in the ch-3 sp of the next box below.
- Repeat.
- End, increase: make the last box in the last ch-3 sp.
- End, decrease: sl st in the last ch-3 sp and stop.
- The full row list for both sizes is in the pattern.

Changing Color Between Rows, With No Yarn Carried

On the last pull-through of the last stitch of the last row of a band, draw the next color through. If that row ends with a sl st, draw the new color through that sl st. No yarn is carried inside a row, because each row is one color.

Draped, so you can see the bands from the side. Preview picture, not a photo of crochet.

Stroller rows (1 to 63)

Start increase: ch 6, turn, dc in the 4th ch from the hook and in each of the next 2 ch (a new first box). Then sl st in the ch-3 sp of the next box of the row below. Start decrease: turn, sl st in each of the 3 dc of the LAST box of the row below (the box next to your hook), then sl st in its ch-3 sp. Across the row: ch 3, 3 dc in the ch-3 sp you are in (this makes a box), then sl st in the ch-3 sp of the next box of the row below; repeat. So every box of the row below receives one new box. End increase: make the last box as usual in the last ch-3 sp. End decrease: sl st in the last ch-3 sp and stop: no box there. Boxes in a row = boxes in the row before + 1 if the start is an increase - 1 if the end is a decrease.

Fasten off after Row 79 (the last box, top left corner). With the right side facing you, join Plum with a sl st in the ch-3 sp of the top right corner box (the box where Row 45 ends), leaving a 6 in tail. Ch 1 (does not count as a st), 3 sc in the corner. Along each edge work 3 sc in each box (in its ch-3 sp or across its 3 dc, the same way all round): 99 sc along the top (33 boxes between the corners), 3 sc in the next corner, 129 sc down the left side (43 boxes), 3 sc in the corner, 99 sc along the bottom, 3 sc in the corner, 129 sc up the right side, then join with a sl st in the first sc. [468 sc]

Stitch count: 468 sc

Round 2 (Large)

Ch 1, sc in the first sc and in each sc around, with 3 sc in the middle sc of each corner group of 3. Join with a sl st in the first sc. Fasten off and weave in the ends. [476 sc]

Stitch count: 476 sc

Finishing

After the last row (a single box in the top left corner), fasten off, then work the 2 border rounds in Plum. Weave in all the ends and wash and dry the blanket as the yarn label says before you gift it.

Step by step

1. Make a swatch first

The pattern assumes one box is about 1 in (2.5 cm) square. This is a suggestion, not a measured gauge: nobody has crocheted this blanket yet. Make a small swatch of C2C boxes first and measure it. If your box is 0.9 in, the Stroller is about 27 x 32 in and the Large about 32 x 42 in. If your box is 1.1 in, the Stroller is about 33 x 40 in and the Large about 40 x 51 in. Work a small C2C square of 10 x 10 boxes in one color and measure it: that is your box size. If your box is bigger, the blanket is bigger and needs more yarn: at 1 1/4 in a box the Stroller is about 37 x 45 in.

Tips

- Check the box count at the end of each row: every written row gives it.
- Put a stitch marker in the first box of every row so you can find the start quickly.
- If your boxes come out bigger than about 1 in, try a smaller hook before you start the blanket.

Common mistakes

- Turning twice at the start of a row: the new first box ends up on the wrong side.
- Forgetting to stop before the last box on a decrease side: the row gets 1 box too many.

Make it your own

- Other colors: any 6 shades of one color from light to dark work with the same rows.

Care

- Follow the washing and drying instructions on the label of your yarn.

This blanket is for supervised use (play, cuddling, the couch). Do not leave it in a crib or bassinet with a sleeping baby: safe-sleep guidance from the AAP says no loose blankets for babies under 12 months. Check that every end is woven in.
