Abbreviations (US)

ch = chain
sl st = slip stitch
sc = single crochet
hdc = half double crochet
st(s) = stitch(es)
RS = right side
WS = wrong side
tch = turning chain (ch 2 here: never counted, never worked into)
yo = yarn over

Gauge

Suggested only, not swatched: We assumed 8 sts and 6 rows = 4 in (10 cm) in hdc with super bulky yarn and a US M-13 (9 mm) hook; the range is 7-9 sts and 5-7 rows. Chunky hdc varies a lot between crocheters, so swatch and adjust.

Notes

- US crochet terms: see the abbreviations above.
- Turning ch (ch 2): it does not count as a st. Work the first hdc in the very first st and the last hdc in the last st of the row, never in the turning ch.
- Hdc (half double crochet): yarn over, insert the hook in the st, yarn over and pull up a loop (3 loops on the hook), yarn over and pull through all 3 loops.
- Back bump: the bump on the back of each foundation ch, the side away from the V. Row 1 goes in the back bumps; the border later goes in the free loop (the V) of the same ch.
- Odd rows are the wrong side, even rows are the right side. Stripes always end on an even row.
- [ ] times: do everything inside the brackets as many times as it says.

Hdc rows

Foundation, Row 1, then repeat Row 2. Counts for both sizes are given in the Sizes cards.

Foundation

Ch 61 (Stroller) or 73 (Large).

Stitch count: 61 ch (Stroller) or 73 ch (Large)

Row 1 (WS)

Skip the first 2 ch from the hook (the loop on your hook does not count; the 2 skipped ch are the turning ch and do not count as a st). Work a hdc in the back bump of the next ch and of each ch across.

Stitch count: 59 hdc (Stroller) or 71 hdc (Large)

Row 2 (RS)

Ch 2 (does not count as a st), turn. Hdc in each of the 59 (Stroller) or 71 (Large) sts across: the first hdc goes in the very first st, the last hdc in the last st. Do not work in the turning ch.

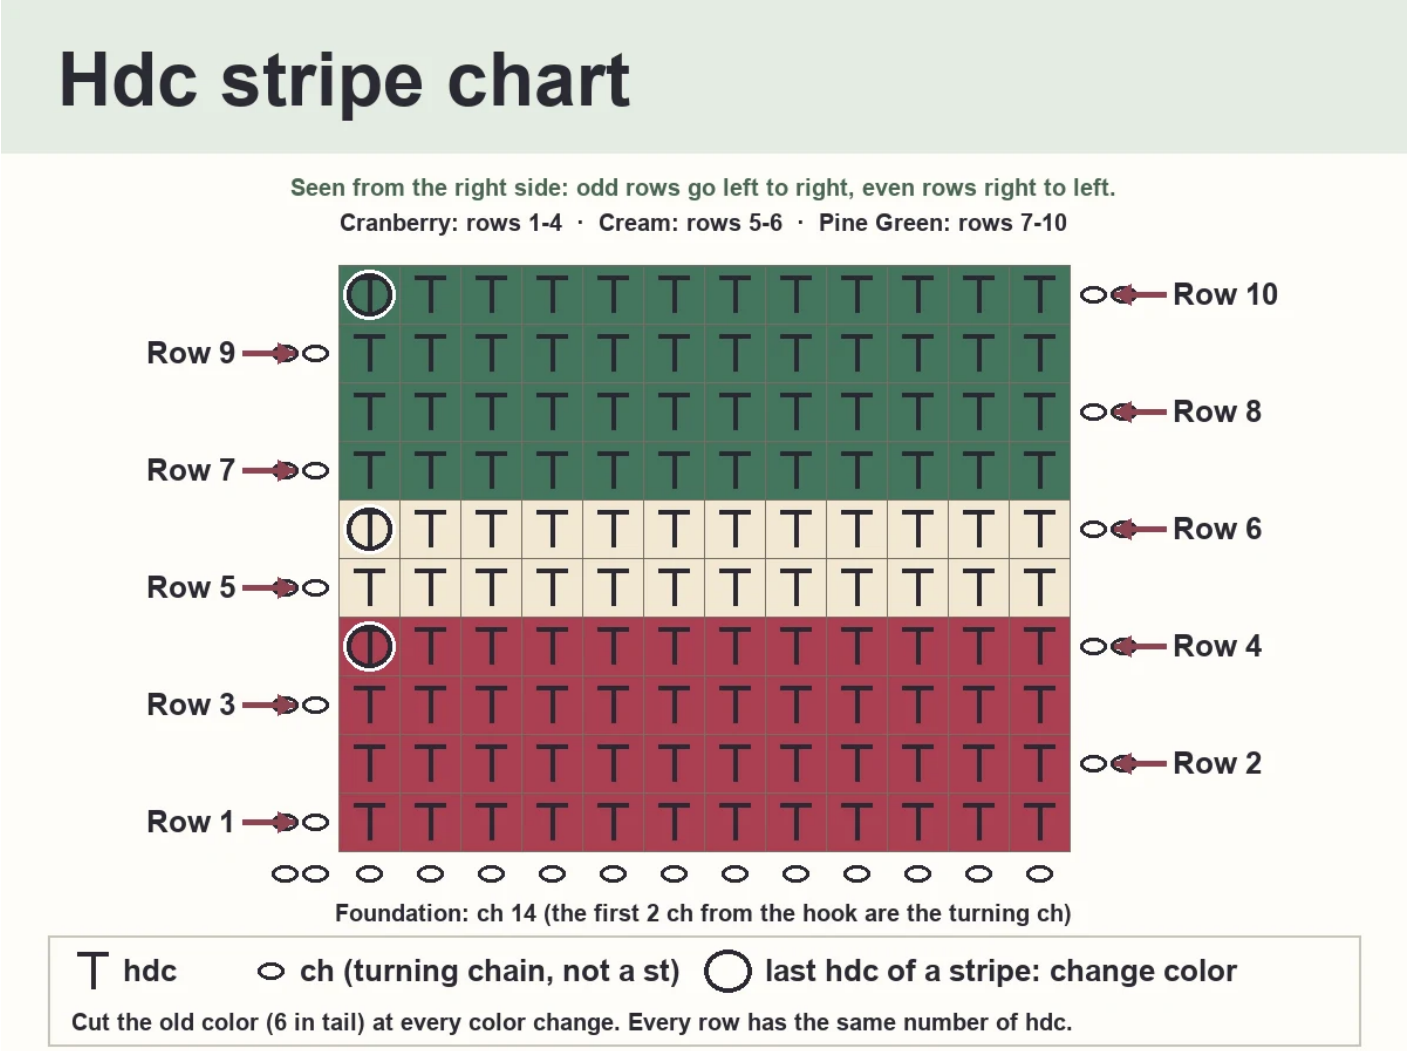

Stitch count: 59 hdc (Stroller) or 71 hdc (Large)

Rows 3 to the end

Repeat Row 2 until you have the number of rows in your size card. The last row is always an even row. Change color as in the stripe chart.

Stitch count: 52 rows in all (Stroller) or 64 rows in all (Large)

Chart

Rows 1-10 drawn from our row model (12 sts so it fits on a phone); your blanket has 59 (stroller) or 71 (large) sts. Seen from the right side: odd rows left to right, even rows right to left. A computer drawing.

Stripe plan

Both sizes to scale, with the row numbers of every stripe and the Cream border (drawn thicker than scale). A computer drawing.

Border

Cream, 1 round, right side facing.

Border

Directions are for right-handed crocheters; left-handers mirror them (counterclockwise becomes clockwise). Test the border on your swatch edge: sc should lie flat. Fasten off the last color, leaving a 6 in tail. Hold the blanket with the right side facing you and the last row at the top: the last row ended at the top left corner. Join Cream with a sl st in the top left corner st (the last hdc of the last row), leaving a 6 in tail. Ch 1 (does not count as a st), 3 sc in the same st (corner). Do not turn the work: keep the right side facing you and go round the blanket counterclockwise. Left side, going down: 1 sc in the end of each of the next 50 (Stroller) or 62 (Large) rows (the end of a row = the side of the end hdc of that row, not the turning ch). The top and bottom rows are not included (they are the corner sts). Bottom left corner: 3 sc in the free loop (the V) of the ch under the first hdc of Row 1 (the 2 skipped chains stay as a tiny tail: weave them in). Bottom edge: sc in the free loop (the V) of each of the next 57 (Stroller) or 69 (Large) ch. Bottom right corner: 3 sc in the free loop (the V) of the ch under the last hdc of Row 1. Right side, going up: 1 sc in the end of each of the next 50 (Stroller) or 62 (Large) rows, starting at Row 2. Top right corner: 3 sc in the first st of the last row. Top edge, going left: sc in each of the next 57 (Stroller) or 69 (Large) sts. Join with a sl st in the first sc. Fasten off. If the sides ripple (wave), skip the row end of every 10th row on each side. If the sides pull in (cup), work 2 sc in every 10th row end. Each change removes or adds 1 sc: adjust your counts. You can lightly block the finished blanket; follow the yarn label.
Stitch count: 226 sc (stroller) or 274 sc (large)

Finishing

Check that every end is woven in. Wash and dry the blanket as the yarn label says before you gift it. You can lightly block the finished blanket; follow the yarn label. This blanket is for supervised use (stroller, play, cuddling, photos with an adult next to the baby). Do not leave it in a crib or bassinet with a sleeping baby: the American Academy of Pediatrics says to keep soft objects and loose bedding, blankets included, out of a baby's sleep area. Chunky stitches are open: check that no finger or toe can catch in a loop. Not a toy.

Baby safety: this blanket is made for the stroller, the play mat and cuddles. For sleep, follow your pediatrician's safe sleep advice, and keep loose blankets out of an unattended baby's sleep space. Check that every end is woven in and that no strand or loop can catch a small finger.
