Materials, sizes and terms

Worsted (#4) yarn in 5 colors: Cream 838 boxes (about 540 yd), Green 265 boxes (about 170 yd), Gold 28 boxes (about 20 yd), Brown 9 boxes (about 10 yd), Red 7 boxes (about 5 yd). These are estimates (about 20 in of yarn per box, plus 15 %): buy a little extra of each color.

Abbreviations (US)

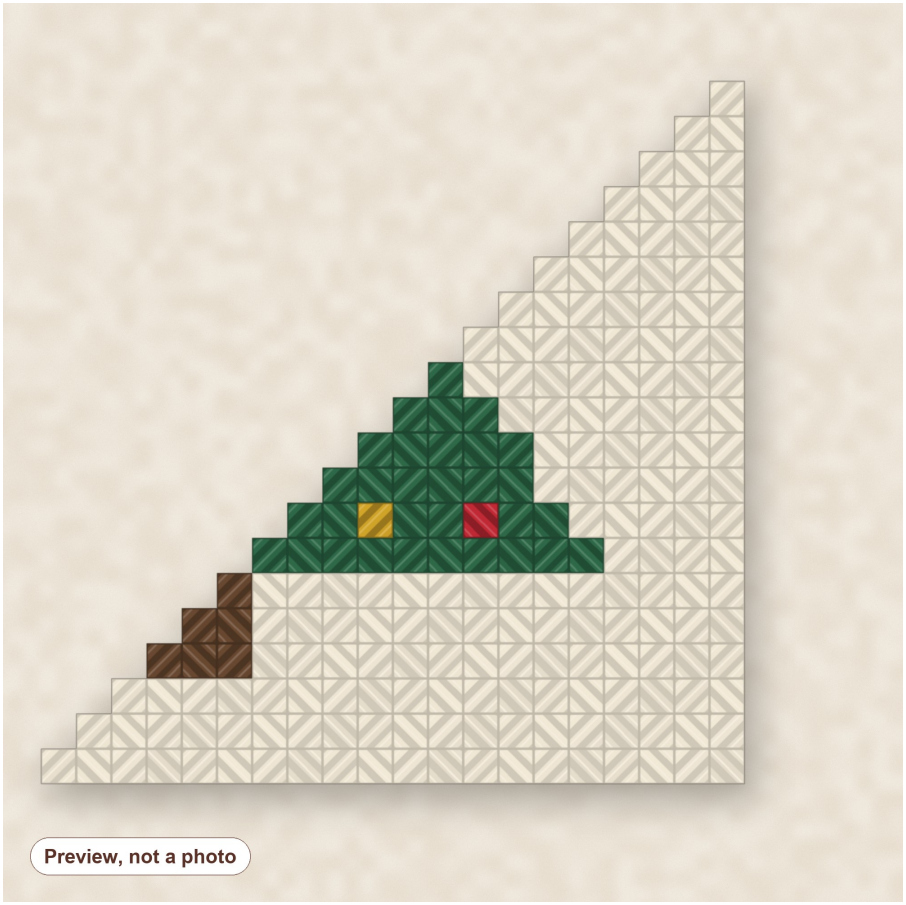

ch = chain
dc = double crochet
sl st = slip stitch
sp = space
ch-3 sp = the space under the ch 3 of a box
C2C = corner to corner

Gauge

Suggested only, not swatched: 1 box about 1 in (2.5 cm) square

Notes

- US crochet terms: see the abbreviations above.
- A box = ch 3 + 3 dc (a new box at the start of a row is made on a fresh ch 6 instead).
- Row 1 is the box in the bottom right corner of the chart. Even rows go from the right edge toward the bottom edge; odd rows go from the bottom edge toward the right edge (later the left and top edges). Each row begins with the turn written in its start instruction: turn only once per row.
- The chart lines are counted from the top edge and are not the same as the C2C rows: the red numbers on the chart show where each diagonal row begins.

The first 20 rows, worked from the bottom right corner: the trunk and the lower right side of the tree come first.

Increase at the start: ch 6, turn, dc in the 4th ch from the hook and in the next 2 ch (a new first box). Decrease at the start: turn, sl st in each of the 3 dc of the box you just made, sl st into its ch-3 sp, ch 3, 3 dc in the same sp. Across the row: *sl st in the next ch-3 sp of the row below, ch 3, 3 dc in the same sp; repeat from * to the end. Increase at the end: make the last box as usual. Decrease at the end: sl st into the last ch-3 sp and stop, no box there.

Close-up of the C2C boxes: each square is 3 dc, and the posts of one row lie the other way from the next row.

Chart

Drawn from our chart model: one square = one C2C box. Red numbers = C2C row numbers beside the box where that diagonal row begins (row 1 = bottom right corner). Bold lines every 5 boxes, counted from the bottom right corner. A computer drawing.

Finishing

After the last row (a single box in the top left corner), fasten off and weave in all the ends. A border is not part of this pattern: if you add one, it adds to the size and to the yarn. Wash and

dry the blanket as the yarn label says before you gift it.

This blanket is for supervised use (stroller, play, cuddling, the couch). Do not leave it in a crib or bassinet with a sleeping baby: safe-sleep guidance says no loose blankets for babies under 12 months. Not a toy. Check that every end is woven in and that no strand or loop can catch a small finger.

The same chart in other colors, to give you ideas: the pattern colors are the ones on the left.

Thank you!
