Abbreviations (US)

ch = chain
sl st = slip stitch
sc = single crochet
st(s) = stitch(es)
RS = right side
WS = wrong side
tch = turning chain (ch 1 here: never counted, never worked into)

Gauge

Suggested only, not swatched: 18 sts and 20 rows = 4 in (10 cm) in single crochet with DK (#3) yarn and a US G-6 (4 mm) hook. Measure your swatch and adjust.

Notes

- On the last sc of the last row of a stripe, work it until 2 loops are on the hook. Drop the old color, leave a 4 in tail, and pull the new color through both loops. Cut the old yarn at every change; do not carry it up the side. Ch 1 and turn as usual. The turning chain does not count as a stitch and you never work into it. Your first sc goes in the very first sc and your last sc in the last sc. Recount 23, 36 or 45 sts at each new stripe.

Worn around the neck, with both ends hanging. Preview picture, not a photo of crochet.

Scarf rows

Work the rows in order. The color of each stripe is in the stripe plan above.

Foundation

Ch 24 (Slim), 37 (Classic) or 46 (Wide).

Stitch count: 24 ch (Slim), 37 ch (Classic) or 46 ch (Wide)

Row 1 (WS)

Sc in the back bump of the 2nd ch from the hook (the ch you skip is the turning ch, not a st), then sc in the back bump of each of the next 22 (Slim), 35 (Classic) or 44 (Wide) ch.

Stitch count: 23 sc (Slim), 36 sc (Classic) or 45 sc (Wide)

Row 2 (RS)

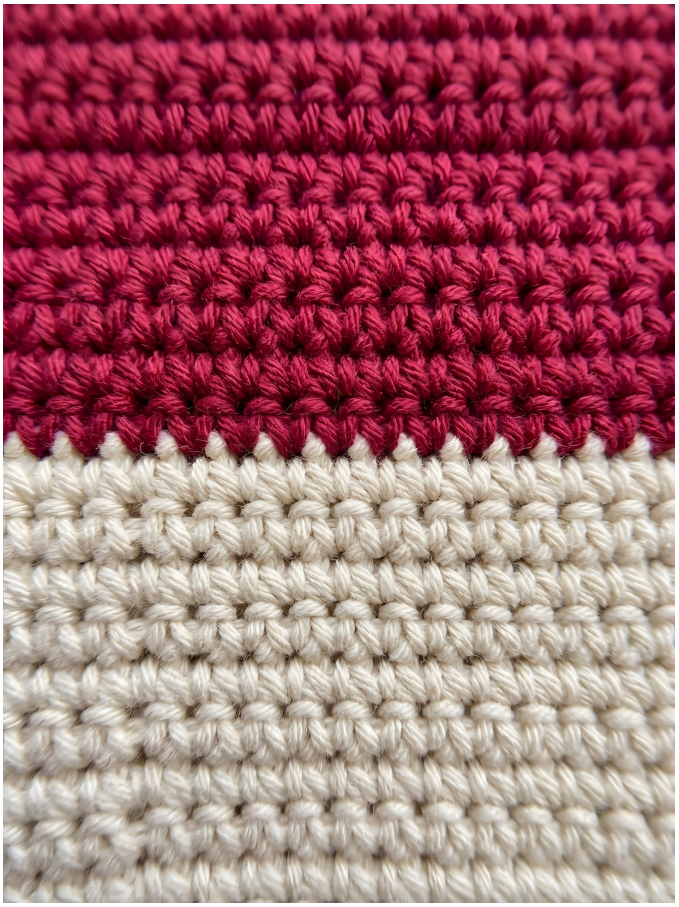

Ch 1 (does not count as a st), turn. Sc in each st across. Do not work in the turning ch.

Stitch count: 23 sc (Slim), 36 sc (Classic) or 45 sc (Wide)

Rows 3 to 300

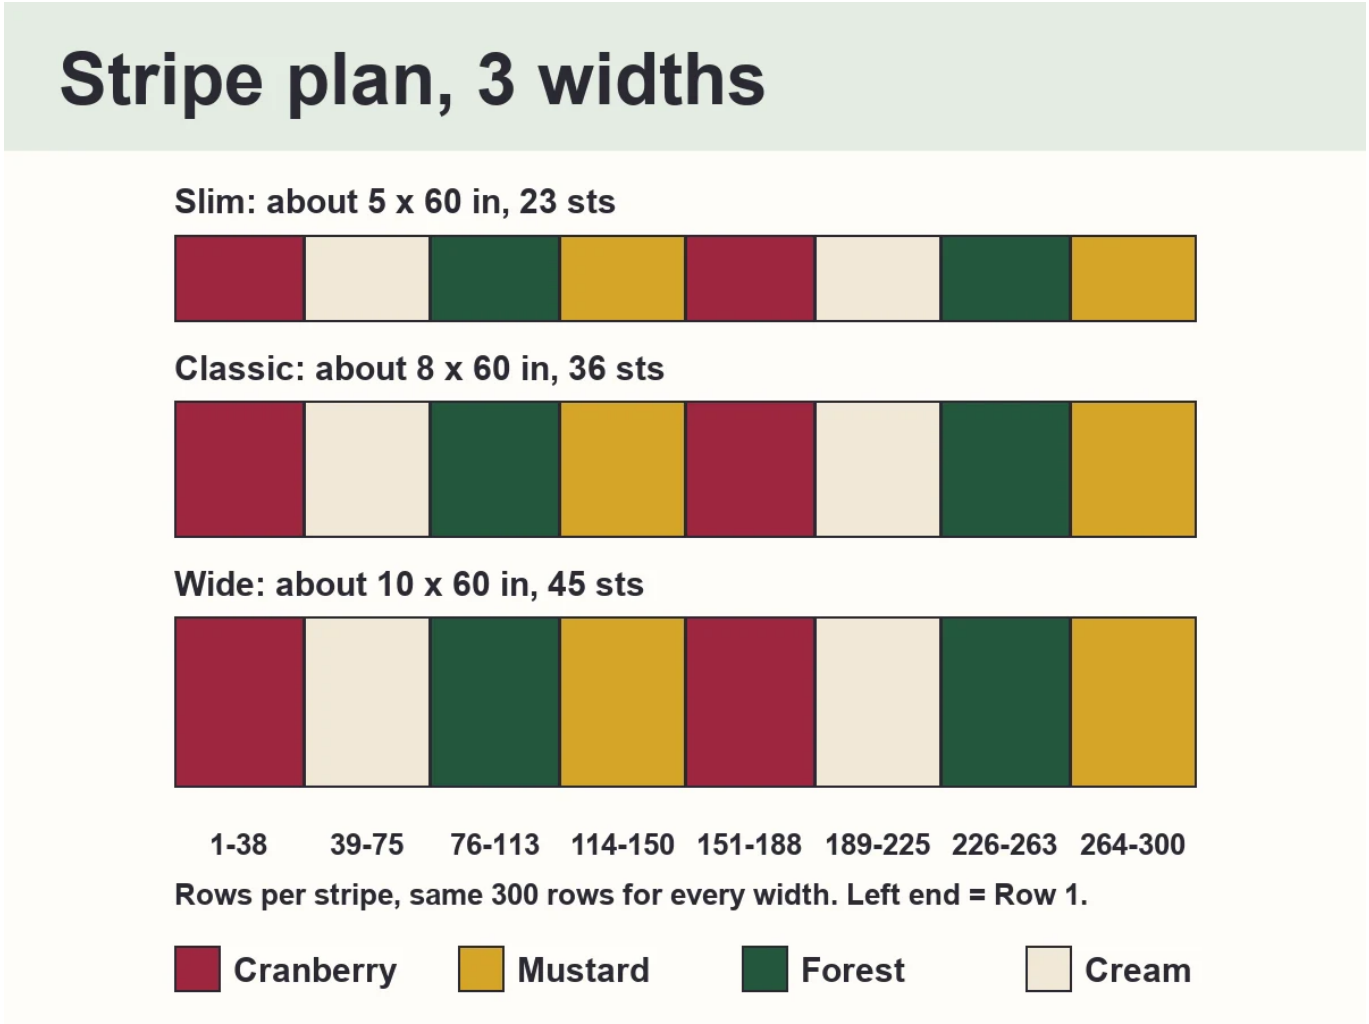

Repeat Row 2, changing color at the start of each stripe (see the stripe plan). Row 300 is the last row.

Stitch count: 300 rows in all

Close-up of single crochet at a color change. Preview picture, not a photo of crochet.

Stripe plan

The 8 stripes with their row numbers. A computer drawing.

Coiled, with one end spread out: the stripes show on the edge and there is no fringe. Preview picture, not a photo of crochet.

Finishing

Weave in every end on the wrong side. Wash and dry as the yarn label says.

Step by step

1. Make a swatch first

The numbers assume 18 sts and 20 rows = 4 in (10 cm) in single crochet with DK (#3) yarn and a US G-6 (4 mm) hook. Nobody has swatched this yet. Crochet a swatch, measure it, and adjust your hook or your chain count if it is off. Ch 21 and work 24 rows of sc (20 sts, about 4.5 in wide). Measure 4 in across the middle. Fewer sts, go down a hook size; more sts, go up.

The four colors, with a hook and scissors. Preview picture, not a photo of crochet.
