Crochet Star Sweater: Free Midnight Star Pattern (XS-2X)

A cream star inside a gold star on navy, worked corner to corner, with wide striped mesh sleeves · US terms

Lying flat: the star panel in the middle, navy bands on the sides and at the hem, wide straight sleeves. Computer-made preview, not a photo of a real one.

Finished size: Chest about 39 1/2 in (XS) to 59 1/2 in (2X), oversized, with about 9 1/2 in of ease (approximate)

Level: Intermediate: C2C boxes with color changes, dc rows, seaming. Not a first project

Time: About 24 hours (XS) to 39 hours (2X), estimated, not timed

The 49 C2C rows were rebuilt into the chart by software, and every size was recounted: piece sizes, seams that meet, sleeve rows and yarn. This pattern has not been crocheted and swatched by a person before publication.

Abbreviations (US)

ch = chain
sc = single crochet
dc = double crochet
sl st = slip stitch
st(s) = stitch(es)
sp = space
RS = right side (the outside)
C2C = corner to corner

Gauge

Suggested only, not swatched: 1 C2C box about 3/4 in square, and 16 dc and 8 rows = 4 in (10 cm). Make both swatches and adjust the hook.

Notes

- US crochet terms: see the abbreviations above.
- Sizes are written XS (S, M, L, XL, 2X). When only one number is given, it is the same for every size.
- A box = ch 3 + 3 dc (a new box at the start of a row is made on a fresh ch 6 instead). Row 1 of the panel is the box in the bottom right corner of the chart. Colors are listed in the order you work them: even rows start on the right edge and end on the bottom edge, odd rows start on the bottom edge (later the left and top edges). Turn only once per row.
- Right side (RS): the side of the star panel facing you when you work Row 1; mark it. The bands are worked with that side facing you on their Row 1.
- The chart lines are counted from the top edge and are not the same as the C2C rows: the red numbers on the chart show where each diagonal row begins.
- Ch 3 at the start of a dc row counts as a dc. Ch 1 at the start of a sc row does not count as a st.

Swatch

Make these first: a C2C square of 6 x 6 boxes in Navy (it should measure about 4 1/2 in), and 20 dc for 10 rows (about 5 x 5 in). If your box or your dc is bigger, use a smaller hook.

C2C swatch

Work 6 x 6 boxes in C2C: rows 1 to 6 increase at both ends, rows 7 to 11 decrease at both ends.
Stitch count: 36 boxes

Dc swatch

Ch 22, dc in the 4th ch from the hook and in each ch across; ch 3, turn, dc in each st for 9 more rows.
Stitch count: 20 dc

Close-up of the star panel, drawn box by box from our chart: each square is 3 dc, and the posts of one C2C row lie the other way from the next row. A computer drawing, not a photo.

Star panel: front and back (make 2), 25 x 25 boxes

Colors are listed in the order you work them: even rows start on the right edge, odd rows start on the bottom edge. The right side (RS) of the panel is the side facing you when you work Row 1. Increase at the start: ch 6, turn, dc in the 4th ch from the hook and in the next 2 ch (a new first box). Decrease at the start: turn, sl st in each of the 3 dc of the box you just made, sl st into its ch-3 sp, ch 3, 3 dc in the same sp. Across the row: *sl st in the next ch-3 sp of the row below, ch 3, 3 dc in the same sp; repeat from * to the end. Increase at the end: make the last box as usual. Decrease at the end: sl st into the last ch-3 sp and stop, no box there. Change color on the last pull-through of the last dc before the new color.

Three-quarter view: the drop shoulders and the wide boat neck. Computer-made preview, not a photo of a real one.

Side bands, hem band and top row (front and back)

Work these on both panels. The number of rows sets your size: XS (S, M, L, XL, 2X).

Side band, Row 1 (RS)

First band, on the left edge as you look at the right side: with Navy, join the yarn at the top left corner. Ch 3 (counts as a dc), work 2 dc in the same box edge, then 3 dc in the edge of each of the next 24 boxes, down to the bottom left corner. Second band, on the right edge: join at the bottom right corner and work the same way up to the top right corner.

Stitch count: 75 dc

Side band, next rows

Ch 3 (counts as a dc), turn, dc in each st across. Work 1 (3, 5, 7, 9, 11) rows in all (Row 1 included), then fasten off.

Stitch count: 75 dc

Hem band, Row 1 (RS)

With Navy and the right side facing, join at the bottom left corner. Ch 3 (counts as a dc), dc in the end of the first side band row, 2 dc in the end of each remaining row of that band, 3 dc in the edge of each of the 25 boxes, 2 dc in the end of each row of the other side band.

Stitch count: 79 (87, 95, 103, 111, 119) dc

Hem band, next rows

Ch 3, turn, dc in each st across. Work 4 (6, 8, 10, 12, 14) dc rows in all (Row 1 included).

Stitch count: 79 (87, 95, 103, 111, 119) dc

Hem band, last row

Change to Gold on the last yarn over of the last dc row. Ch 1, turn, sc in each st across (an even number of dc rows comes before it, so this row is on the right side in every size). Fasten off.

Stitch count: 79 (87, 95, 103, 111, 119) sc

Top row (shoulders and neck)

With Navy and the right side facing, join at the top right corner. Ch 1, work the same way along the top edge: 2 sc in the end of each side band row, 3 sc in the edge of each box, 2 sc in each row end of the other band. Fasten off.

Stitch count: 79 (87, 95, 103, 111, 119) sc

Sleeves (make 2)

Wide straight sleeves, worked flat from the cuff up, then sewn into a tube. There is no shaping: the cuff is as wide as the top of the sleeve, about 16 (17, 18, 19, 20, 21) in around.

Foundation

With Gold, ch 65 (69, 73, 77, 81, 85).

Stitch count: 65 (69, 73, 77, 81, 85) ch

Row 1 (cuff)

Sc in the 2nd ch from the hook and in each ch across.

Stitch count: 64 (68, 72, 76, 80, 84) sc

Row 2 (cuff)

Ch 1, turn, sc in each st across.

Stitch count: 64 (68, 72, 76, 80, 84) sc

Rows 3 to the end

Repeat these 6 rows: dc in Navy, dc in Navy, dc in Navy, mesh in Gold, mesh in Gold, dc in Cream. Change color on the last yarn over of the last st of the row before, and cut the old color (it comes back on the other edge): every change leaves 2 ends to weave in. Dc row: ch 3 (counts as a dc), turn, dc in each st and in each ch-1 sp across. First mesh row (after a dc row): ch 3 (counts as a dc), turn, dc in the next st, *ch 1, skip the next st, dc in the next st; repeat from * to the end. Second mesh row (stacked on the first): ch 3 (counts as a dc), turn, *ch 1, skip the ch-1 sp, dc in the next dc; repeat from * until 1 st remains, dc in the top of the turning ch. Each ch 1 counts as a st, so the count does not change. Work 33 (34, 35, 35, 36, 36) rows in all (cuff rows included), then fasten off. The sleeve row table below gives the color and stitch of every row.

Stitch count: 64 (68, 72, 76, 80, 84) sts

Assembly

Use Navy and a yarn needle. Whip stitch or mattress stitch through one st of each piece at a time.

Shoulders

Lay the front on the back, right sides together, top rows lined up. Sew 19 (22, 26, 29, 33, 36) sts together at each outer end of the top row; leave the middle 41 (43, 43, 45, 45, 47) sts open for the neck.

Sleeves

Open the pieces flat. Mark the side edge 32 (34, 36, 38, 40, 42) sts down from the top row on the front and on the back. Center the top of a sleeve on a shoulder seam and sew its 64 (68, 72, 76, 80, 84) sts to the 64 (68, 72, 76, 80, 84) sts between the two markers. Repeat on the other side.

Side and sleeve seams

Fold the sweater at the shoulders, right sides together. Sew each side from the hem up to the marker, then the sleeve seam from the armhole to the cuff.

Neck

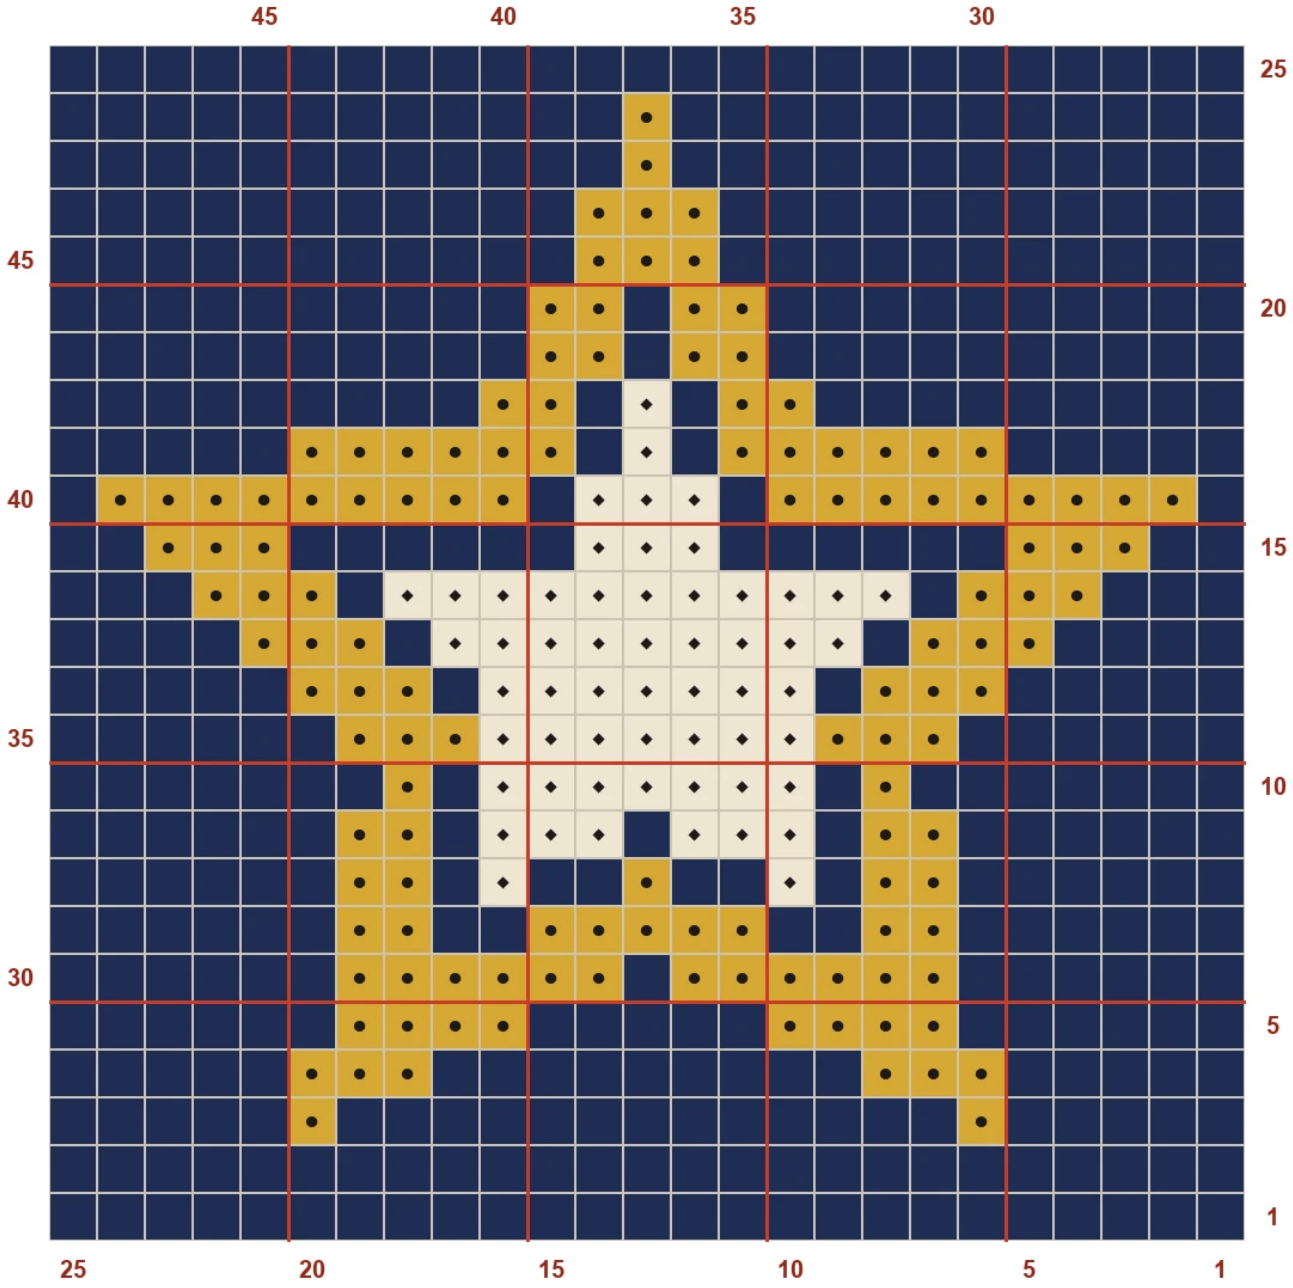

With Navy and the right side facing, join at a shoulder seam. Ch 1, sc in each of the 82 (86, 86, 90, 90, 94) open sts of the neck (front and back), sl st to the first sc. Fasten off.

Stitch count: 82 (86, 86, 90, 90, 94) sc

Closer: the striped sleeves in navy, gold and cream, ending in a thin gold cuff edge. Computer-made preview, not a photo of a real one.

Chart

Drawn from our chart model: one square = one C2C box (circle = Gold, diamond = Cream, plain = Navy). Red numbers = C2C row numbers (row 1 = bottom right corner); red lines every 5 boxes from that corner.

Plan of the pieces

Front and back (make 2)

Navy side bands (left and right) and the hem band set the size. Red lines: shoulder seams. Width, length and the number of band rows change with the size (size table).

Sleeve (make 2), cuff at the bottom

Stripes from the cuff up: 2 rows sc Gold, then 3 rows dc Navy, 2 mesh rows Gold, 1 row dc Cream, repeated (drawn for size M).

Plan of the pieces, drawn from the size plans for size M. Red lines = shoulder seams.

Finishing

Weave in all the ends along the same color on the wrong side. Wash and dry as the yarn label says, laying the sweater flat to shape the star.

Care: Follow the washing and drying instructions on your yarn label. Dry flat.
